

IMPORTANT SHUTTLE CHANGES

Effective: March 28, 2014 @ 5:00 pm

1. Due to increased safety concerns the Bard Campus Shuttle will NOT pick up or drop off passengers at Broadway & Route 9G in Tivoli. This is not an official or safe shuttle stop location.
- In an effort to assist students currently living in this area the shuttle will pick up & release passengers at the Monument heading west only, when traveling into Tivoli.
- All Tivoli travelers must expect to use the current **Official** stop located:

@ Pine Street/Recreation Park for travel to and from Bard

2. Effective Friday, March 28, 2014 at 5:00 p.m.

All shuttle riders must provide a **valid and legible Bard ID or guest pass**. Bard Shuttles are to be used only by Bard Faculty, Students and Staff and their guests

- If you have lost your ID, a replacement can be printed at Central Services
- Replacement cost of \$10
- If your ID is worn and not legible it can be exchanged at Central Services for a new one.

3. The shuttle is intended for off campus students.

At periods of overcrowding, off campus residents will be given boarding priority. Shuttles cannot operate when occupancy is over legal capacity.

Consider the Dutchess County Loop Bus as a viable option
